Justrite Safety Group Acquires Leading Manufacturer of Safety Identification Products, National Marker Company (NMC).

Deerfield, IL — Justrite Safety Group has acquired Rhode Island-based National Marker Company (NMC), a leading manufacturer of facility safety communication products, such as signs, tags, labels, lockout-tagout devices, 5S/lean products, and more.

Since 1934, NMC has helped make the world safer by providing the highest quality safety identification products. Its products serve customers in a variety of sectors including food and beverage, construction, oil and gas, utilities, transportation, petrochemical and medical, to name a few.

“The acquisition of NMC allows us to serve customers with the single most comprehensive portfolio in the safety, facility, and environmental protection arena,” said Mark McElhinny, President and CEO of Justrite Safety Group. “NMC’s commitment to customers aligns nicely with JSG’s brand promise, and its first and greatest responsibility: **keeping people, property, and the planet safe.**”

About Justrite Safety Group

Justrite Safety Group is a growing family of leading industrial safety companies. Together we protect workers, workplaces and the environment with a comprehensive range of industrial safety solutions. We cover every facet of the industrial safety landscape—from the storage, containment, and clean-up of hazardous materials, to safety identification, emergency showers, industrial matting, and motion safety solutions. All Justrite Safety portfolio companies are united by deep safety knowledge, long experience, and a commitment to protecting people, property and the planet. Visit us at justrite.com to learn more.
