

Drum Lock Set for Plastic Drums, 2 units fit 2-in bung, 2 lock bars. 2 padlocks - #08511

Product Images

Short Description

- Protect Workers
- Reduce theft & secure contents
- Padlocks included
- For plastic drums

Description

Made of corrosion resistant, non-sparking zinc die cast, drum locks easily install around the drum bung flange over the original bung. Since there is no contact with the drum contents, the potential for content contamination is eliminated—making them suitable for chemical and food processing applications. Locks

install in seconds to secure contents and reduce theft, pilfering, and sabotage.
