

T-Style Safety Shower Treadle - TS-FOOT-EF

Product Images

Short Description

HUGHES

Justrite Safety Group

- Quick installation
- Activate eye/face washes by foot
- For use on most self-draining combination safety showers

Description

Designed as an alternative means of operating the eye/face wash fountain, the treadle type foot control quickly attaches to an existing unit. As a fail-safe precaution, these eyewashes can still be operated by hand should the treadle be obstructed in any way. This T-style treadle is for use on most self-draining combination safety showers.
