Product Images

Short Description

- Yellow color improves visibility
- Fits inside sump of 22 gallon Undercounter and 23 gallon Under Fume Hood safety cabinet

Description

This Poly Sump Liner, model 29056, is specifically designed to fit inside the sump of a Justrite 22 gallon

[undercounter safety cabinet](#) or 23 gallon [under fume hood safety cabinet](#). It is made of high-quality polyethylene material that is durable, chemical-resistant and easy to clean. The liner provides an added layer of protection for the cabinet and helps contain any spills, drips or leaks. Its precise fit ensures a snug, leak-proof installation, making it an essential component for the safe storage of hazardous materials. Use to upgrade chemical cabinet storage safety in laboratory, industrial or commercial environments.
