Short Description

Heavy duty rubber anti-fatigue mat for industrial oils and chemicals

Description

Safety Stance® is made from a grease resistant rubber compound to withstand many of the more commonly found industrial cutting oils and chemicals. Particularly well suited for wet or dry work areas, Safety Stance® features a large hole drainage system with a mini-diamond studded top surface to minimize slippage. Permanently affixed beveled edges are made from a 100% Nitrile rubber compound offering the same resistance to oils/chemicals as the mat.
